# Boys and Girls Club of Alaska - Mountain View - Equipment

**State Funding Requested: \$15,000****House District: 19 / J**

One-Time Need

**Brief Project Description:**

The Boys and Girls Club in Mountain View is in need of new and additional materials and equipment for learning, recreation, signage, and safety.

**Funding Plan:**

Total Project Cost:	\$15,000
Funding Already Secured:	(\$0)
FY2023 State Funding Request:	(\$15,000)
Project Deficit:	\$0

**Detailed Project Description and Justification:**

Mt. View Boys and Girls Club is situated in the lowest-income district in Anchorage and is one of the most diverse neighborhoods in the entire country. Many of the children in the district cannot afford to participate in extracurricular activities that require expensive equipment, so the Boys and Girls Club is invaluable in providing these opportunities to our constituents.

This capital funding request would help fund many of the supplies and equipment needed for their programming, such as instruments and hardware for their music programs (they have a digital music production and DJ program), supplies for arts and crafts programming, and equipment for sports programs (such as balls, uniforms, etc.)

This funding will help engage more children in our neighborhoods and expand the opportunities available to them at the Boys and Girls Club.

**Project Timeline:**

Upon distribution in 2022
